

Rug Size Guide

QUEEN BED

5'X8'

Best for small spaces and low budgets. Balance the rug on each side, and move it down beyond the foot of the bed, as desired

6'X9'

Nicely balanced rug size for queen bed. Place under bed, but not under nightstands, to provide sufficient coverage on all sides of the bed

8'X10'

The best size rug for queen beds. Can be placed under nightstands, and still offer coverage on all sides of the bed

8'X10'

Place rug under bed, but not under nightstands, to provide best balance on all sides, and allow space for a bench at the foot of the bed
